GENEALOGY SEMINAR

Saturday, October 12th @ 9:30am

This event is now fully booked.

If you have developed a taste for researching your family history or for genealogy in general, you won’t want to miss our next Glasnevin Genealogy Seminar taking place this October

There will be a number of presentations from specialists in these subjects on the day. Keep an eye on Glasnevin’s website and social media pages for further updates. Along with the talks, there will be hubs on the day dedicated to specialist records where you can go to have an in-depth conversation with a subject matter expert in the areas outlined above. This event promises to be engaging and interactive so feel free to bring your work along and to discuss any challenges or ‘brick walls’ that you have encountered on your family history journey so far. You will be in the right place to find solutions to them!

To keep up to date with all of our genealogy events, please sign up to our newsletter or in person at the museum.
